MEMORANDUM

Music DIVISION

TO THE GROUP OF THE Mail DIVISIONS May 22, 1939

Attached is a notice from the Railway Express Agency and a letter from Mr. Lomax in regard to a shipment from Mr. John A. Lomax of phonograph records belonging to the Library of Congress. The "C.O.D. Charges" of \$500.00 are obviously the result of a misunderstanding for this sum represents the valuation. I suggest that the express company be informed of their error so that storage charges will not be charged while the matter is being adjudicated.

I have already written to Mr. Lomax about this his answer is attached.
